PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors (the “Board”) of The LGL Group, Inc. in connection with the solicitation of proxies for use at the 2019 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Thursday, November 7, 2019, at 9:00 a.m. EST, at The Corporate Center, 401 Theodore Fremd Ave, Rye, NY 10580, and any adjournments thereof. This Proxy Statement along with either a proxy card or a voting instruction card are being mailed to stockholders beginning on or about September 30, 2019.

Unless the context otherwise requires, in this Proxy Statement, we use the terms “we,” “our,” “us” and “the Company” to refer to The LGL Group, Inc. and its subsidiaries.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Q: Why did I receive this Proxy Statement?

A: The Board is soliciting your proxy to vote at the Annual Meeting because you were a stockholder at the close of business on September 17, 2019, the record date for the Annual Meeting, and are entitled to vote at the Annual Meeting.

This Proxy Statement provides important information regarding the matters to be acted on at the Annual Meeting.

You do not need to attend the Annual Meeting to vote your shares. Instead, you may vote your shares using any of the methods discussed below.

Q: Who is paying for this proxy solicitation?

A: The Company will pay the expense of soliciting proxies, including the cost of preparing, assembling and mailing the notice, proxy statement and proxy. In addition to the solicitation of proxies by mail, The LGL Group's directors, officers or employees, without additional compensation, may make solicitations personally and by telephone. The Company may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Q: What information is contained in this Proxy Statement?

A: The information in this Proxy Statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the Board and its committees, the compensation of directors and certain executive officers, and certain other required information.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain an additional set of proxy materials?

A: All stockholders may write to us at the following address to request an additional copy of these materials:

The LGL Group, Inc.
2525 Shader Road
Orlando, Florida 32804
Attention: Corporate Secretary

Additionally, stockholders may access this Proxy Statement, our form of proxy card, and our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 (the “2018 Form 10-K”) on the Internet at www.lglgroupproxy.com.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares are registered directly in your name with our transfer agent, Computershare, you are considered, with respect to those shares, the “stockholder of record.” If you are a stockholder of record, this Proxy Statement, our 2018 Form 10-K and a proxy card have been sent directly to you by the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held in street name. If you own shares held in street name, this Proxy Statement and our 2018 Form 10-K have been forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or the Internet, if the broker, bank or nominee offers these alternatives. Since a beneficial owner is not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker, bank or nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

Q: What am I voting on at the Annual Meeting?

A: You are voting on the following proposals:

- To elect seven directors to serve until the 2020 Annual Meeting of Stockholders (the “2020 Annual Meeting”) and until their successors are duly elected and qualify;
- To ratify the appointment of RSM US LLP (“RSM”) as our independent registered public accounting firm for the fiscal year ending December 31, 2019;
- To vote on a non-binding advisory resolution to approve the compensation of the Company’s named executive officers; and
- To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

The Board recommends a vote “FOR” the election of each of its nominees for directors; “FOR” the ratification of the appointment of RSM as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and “FOR” the approval of a non-binding advisory resolution approving the compensation of our named executive officers.

Q: How do I vote?

A: You may vote using any of the following methods:

- *Proxy card or voting instruction card.* Be sure to complete, sign and date the card and return it in the prepaid envelope.
- *By telephone or the Internet.* If you own shares held in street name, you will receive voting instructions from your bank, broker or other nominee and may vote by telephone or on the Internet if they offer those alternatives. Stockholders of record will not be able to vote by telephone or on the Internet.
- *In person at the Annual Meeting.* All stockholders of record may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you own shares held in street name, you must obtain a legal proxy from your bank, broker or other nominee and present it to the inspector of election with your ballot when you vote at the Annual Meeting.

Q: What can I do if I change my mind after I vote my shares?

A: If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

- Sending a written notice of revocation to our Corporate Secretary;
- Submitting a new, proper proxy dated later than the date of the revoked proxy; or
- Attending the Annual Meeting and voting in person.

If you own shares held in street name, you may submit new voting instructions by contacting your broker, bank or nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described in the answer to the previous question. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Q: What if I return a signed proxy card, but do not indicate a vote for some of the matters listed on the proxy card?

A: If you return a signed proxy card without indicating your vote, your shares will be voted in accordance with the Board's recommendations as follows: "FOR" the election of each of its nominees for directors; "FOR" the ratification of the appointment of RSM as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and "FOR" the approval of a non-binding advisory resolution approving the compensation of our named executive officers.

Q: Can my broker vote my shares for me without my instructions?

A: Brokers may not use discretionary authority to vote shares on the election of directors or the approval of a non-binding advisory resolution approving the compensation of our named executive officers, if they have not received instructions from their clients, though may vote either for or against the ratification of auditors. Please provide voting instructions on these proposals to your broker so your vote can be counted.

Q: Can my shares be voted if I do not return my proxy card or voting instruction card and do not attend the Annual Meeting?

A: If you do not vote your shares held of record (registered directly in your name, not in the name of a bank or broker), your shares will not be voted.

If you do not vote your shares held in street name with a broker, your broker will not be authorized to vote on most items being put to a vote, including the election of directors or the approval of a non-binding advisory resolution approving the compensation of our named executive officers. If your broker is not able to vote your shares, they will constitute "broker non-votes," which are counted for the purpose of determining the presence of a quorum, but otherwise do not affect the outcome of any matter being voted on at the Annual Meeting.

Q: What are the voting requirements with respect to each of the proposals?

A: In the election of directors, each director receiving a plurality of the affirmative ("FOR") votes cast will be elected. You may withhold votes from any or all nominees. All other proposals require the affirmative ("FOR") votes of a majority of the votes cast on the matter. Thus, abstentions will not affect the outcome of the votes on these proposals.

If you own shares held in street name and do not provide your broker with voting instructions, your shares may constitute "broker non-votes." Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to be voted on that proposal. Thus, the "broker non-vote" will have no effect on any matter being voted on at this Annual Meeting, assuming that a quorum is present.

Q: How many votes do I have?

A: You are entitled to one vote for each share of common stock that you hold. As of September 17, 2019, the record date, there were 4,913,678 shares of common stock outstanding.

Q: Is cumulative voting permitted for the election of directors?

A: We do not use cumulative voting for the election of directors.

Q: What happens if a nominee for director does not stand for election?

A: If for any reason any nominee does not stand for election, any proxies we receive will be voted in favor of the remaining nominees and may be voted for a substitute nominee in place of the nominee who does not stand. We have no reason to expect that any of the nominees will not stand for election.

Q: What happens if additional matters are presented at the Annual Meeting?

A: Other than the three items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Michael J. Ferrantino, Sr. and James W. Tivy, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: There must be a quorum present in order for the businesses to be conducted at the Annual Meeting. A quorum will be present if at least a majority of the outstanding shares of our common stock entitled to vote, or 2,456,840 shares, is represented at the Annual Meeting, either in person or by proxy.

Both abstentions and broker non-votes (described above) are counted for the purpose of determining the presence of a quorum.

Q: How can I attend the Annual Meeting?

A: You are entitled to attend the Annual Meeting only if you were a stockholder as of the close of business on September 17, 2019, the record date, or if you hold a valid proxy for the Annual Meeting. You should be prepared to present photo identification for admittance. If you are a stockholder of record, your name will be verified against the list of stockholders of record on the record date prior to your admission to the Annual Meeting. If you are not a stockholder of record, but hold shares through a broker, bank or nominee (i.e., in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to September 17, 2019, a copy of the voting instruction card provided by your broker, bank or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above, you will not be admitted to the Annual Meeting.

The Annual Meeting will begin promptly on November 07, 2019, at 9:00 a.m., local time. You should allow adequate time for the check-in procedures.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy card or voting instruction card as described herein so your vote will be counted if you later decide not to attend the Annual Meeting.

Q: What is the deadline for voting my shares?

A: If you hold shares as the stockholder of record, your vote by proxy must be received before the polls close at the Annual Meeting.

If you hold shares beneficially in street name, please follow the voting instructions provided by your broker, bank or nominee. You may vote these shares in person at the Annual Meeting only if at the Annual Meeting you provide a legal proxy obtained from your broker, bank or nominee.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy card, which are then forwarded to our management.

Q: How are votes counted?

A: For the election of directors, you may vote “FOR” all or some of the nominees or your vote may be “WITHHELD” with respect to one or more of the nominees. For the other items of business, you may vote “FOR,” “AGAINST” or “ABSTAIN.”

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and publish final voting results in a Current Report on Form 8-K to be filed with the Securities and Exchange Commission (the “SEC”) within four business days after the Annual Meeting.

Proposal No. 3: Advisory Vote on Executive Compensation

We are asking stockholders to indicate their support for the compensation of our named executive officers named in the “Summary Compensation Table” included in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives stockholders the opportunity to express their views on the compensation of our named executive officers. Accordingly, we will ask stockholders to vote “FOR” the following resolution at the Meeting:

“**RESOLVED**, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2019 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board. The Board and the Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The affirmative (“FOR”) vote of a majority of the votes cast on the matter is required to adopt the resolution approving the compensation of our named executive officers.

Recommendation of the Board

The Board recommends a vote “FOR” the adoption of the resolution approving the compensation of the Company’s named executive officers.

CORPORATE GOVERNANCE

Director Independence

As required under NYSE rules, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by such board of directors. The Board has determined that Messrs. Hunter, Kalha, Arteaga, and Lazar are independent within the meaning of NYSE rules.

Board and Committee Meetings

The Board of Directors held seven meetings during the fiscal year ended December 31, 2018. Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board (held while he was a director); and (ii) the total number of meetings held by all committees of the Board on which he served (while he served on such committees). All of our incumbent directors except for Mr. Gabelli attended the Company's 2018 Annual Meeting of Stockholders. Although there is no formal policy, all directors are encouraged to attend the annual meetings of stockholders.

The Audit Committee, Compensation Committee and Nominating Committee met seven times, four times and two times, respectively, during the 2018 fiscal year.

Board Committees

The three principal committees of the Board and their duties are described below.

Audit Committee. The Audit Committee held seven meetings during 2018. The incumbent members of the Audit Committee are Messrs. Hunter (Chairman) and Kalha. The Board has determined that all Audit Committee members are financially literate and independent in accordance with SEC and NYSE American rules concerning audit committee membership requirements. Mr. Hunter qualifies as an "audit committee financial expert" as defined under the Exchange Act. The Audit Committee operates in accordance with its charter. The charter gives the Audit Committee the authority and responsibility for the appointment, retention, compensation and oversight of our independent registered public accounting firm, including pre-approval of all audit and non-audit services to be performed by our independent registered public accounting firm. The Audit Committee also reviews the independence of our independent registered public accounting firm, reviews with management and our independent registered public accounting firm our annual financial statements prior to their filing with the SEC, reviews the report by our independent registered public accounting firm regarding management procedures and policies and determines whether our independent registered public accounting firm has received satisfactory access to our financial records and full cooperation of corporate personnel in connection with their audit of our records. The Audit Committee also reviews our financial reporting process on behalf of the Board and reviews the financial information issued to stockholders and others, including a discussion of the quality and reasonableness of the accounting principles used, the reasonableness of significant judgments, and the clarity of discussions in the financial statements, and monitors the systems of internal control and the audit process. Management has primary responsibility for the financial statements and the reporting process. The Audit Committee Charter is available at www.lglgroup.com.

Compensation Committee. The Compensation Committee met four times during 2018. The incumbent members of the Compensation Committee are Messrs. Foufas (Chairman) and Kalha. All members of the Compensation Committee are independent in accordance with NYSE American rules for compensation committee members. The responsibilities of the Compensation Committee are to review the Company's compensation and benefits policies and objectives, determine whether our officers and directors are compensated in accordance with these policies and objectives, and carry out the Board's responsibilities relating to compensation of our executives. The Compensation Committee Charter is available at www.lglgroup.com. See further discussion of the Compensation Committee's role in setting executive compensation beginning on page 18.

Nominating Committee. The Nominating Committee met twice during 2018. The incumbent members of the Nominating Committee are Messrs. Kalha (Chairman), Foufas and Hunter. All members of the Nominating Committee are independent in accordance with NYSE American rules. The responsibilities of the Nominating Committee are to identify individuals qualified to become Board members and recommend that the Board select director nominees for election at the annual meetings of stockholders. The Nominating Committee Charter is available at www.lglgroup.com.

Director Nominations

In evaluating and determining whether to nominate a candidate for a position on the Board, the Nominating Committee utilizes a variety of methods and considers criteria such as high professional ethics and values, relevant management and/or manufacturing experience and a commitment to enhancing stockholder value. Candidates may be brought to the attention of the Nominating Committee by current Board members, stockholders, officers or other persons. The Nominating Committee will review all candidates in the same manner regardless of the source of the recommendation.

The Company does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Nominating Committee strives to nominate director candidates with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee the Company's businesses.

The Nominating Committee also considers stockholder recommendations for director nominees that are properly received in accordance with the Company's By-Laws and applicable rules and regulations of the SEC. In order to validly nominate a candidate for election or reelection as a director, stockholders must give timely notice of such nomination in writing to the Corporate Secretary and include, as to each person whom the stockholder proposes to nominate, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, and the other rules and regulations under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected). For more information on director candidate nominations by stockholders, see "Stockholder Proposals" herein.

Board Leadership Structure

Throughout 2018 and continuing up to the 2019 AGM, the Board has been led by Mr. Ferrantino, the Executive Chairman of the Board, and our Chief Executive Officer, and Mr. Marc Gabelli, as Non-Executive Chairman of the Board. With Mr. Ferrantino not standing for reelection to the board, due to his expected retirement as the Company's Chief Executive Officer effective December 31, 2019, the leadership structure will change. The Company expects to name a Chief Executive Officer, as successor to Mr. Ferrantino at some time prior to his retirement. The Board does not have a policy regarding a separation of the roles of Chief Executive Officer and Chairman of the Board.

Board Role in Risk Oversight

Senior management is responsible for assessing and managing the Company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. We have developed a consistent, systemic and integrated approach to risk management to help determine how best to identify, manage and mitigate significant risks throughout the Company, which includes our system of internal controls over financial reporting, annual reviews conducted by our directors and officers, monitoring compliance with our Business Conduct Policy and general liability insurance coverage. The Board is responsible for overseeing management in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities periodically as part of its meetings and also through the Board's three principal committees, each of which examines various components of enterprise risk as part of its responsibilities. In addition, an overall review of risk is inherent in the Board's consideration of the Company's long-term strategies and in the transactions and other matters presented to the Board, including capital expenditures, acquisitions and divestitures, and financial matters.

Stockholder Communications

Stockholders may communicate with the Board, including the non-management directors, by sending an e-mail to our Chief Financial Officer at jtivy@lglgroup.com or by sending a letter to The LGL Group, Inc., 2525 Shader Road, Orlando, Florida 32804, Attention: Chief Financial Officer. The Chief Financial Officer will submit all such correspondence to any specific director to whom the correspondence is directed.

Code of Ethics

We adopted a code of ethics as part of our Business Conduct Policy, which applies to all of our employees, including our principal executive, financial and accounting officers. Our Business Conduct Policy is available at www.lglgroup.com. Amendments to and waivers of our code of ethics and Business Conduct Policy will be disclosed on our website.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed the consolidated financial statements for the fiscal year ended December 31, 2018 with both management and RSM US LLP, the Company's independent registered public accounting firm.

The Audit Committee meets with the Company's independent registered public accounting firm, with and without management present, to discuss the results of their financial statement audit and the overall quality of the Company's financial reporting. The Audit Committee has discussed with RSM US LLP the matters required to be discussed by Statement on Auditing Standard No. 1301 (formerly No. 16), "Communications with Audit Committees," issued by the Public Company Accounting Oversight Board (the "PCAOB").

RSM US LLP provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the PCAOB regarding RSM US LLP's communications with the Audit Committee concerning independence, and the Audit Committee discussed with RSM US LLP its independence.

Based on the Audit Committee's review of the audited financial statements and discussions, including those noted above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

EXECUTIVE COMPENSATION

Overview

The Compensation Committee is responsible for the design and administration of the Company's compensation policy and plans. The plans are designed to successfully implement the Company's business strategy and create stockholder value. As a matter of policy, the Compensation Committee submits its recommendations to the full Board for approval.

Compensation Philosophy and Objectives

The Company's compensation program emphasizes performance-based compensation promoting the achievement of short-term and long-term business objectives. This aligns our executives' compensation with stockholder interests, while providing competitive compensation to attract, motivate and retain executives with superior skills and abilities.

Determination of Compensation Awards

The Compensation Committee recommends to the Board the compensation awards for the named executive officers based on (i) Company performance versus annual budgeted financial targets, and (ii) individual performance.

The Compensation Committee conducts an annual review of the Chief Executive Officer's performance prior to making its recommendation to the Board regarding the Chief Executive Officer's compensation. Our Chief Executive Officer reviews the performance of our Chief Financial Officer with the Compensation Committee and makes a recommendation to the Compensation Committee regarding the Chief Financial Officer's compensation. During these reviews, the Compensation Committee considers the Company's performance in the following categories: (i) improvement in the Company's market value; (ii) the achievement of agreed upon short- and long-term objectives; and (iii) predetermined individual goals.

Compensation Benchmarking

The Company has not retained a compensation consultant to review its policies and procedures with respect to the compensation of the named executive officers, though it may choose to do so in the future. The Compensation Committee benchmarks the compensation of the named executive officers against the median compensation paid by comparable companies determined at the time. To that end, the Compensation Committee will conduct a benchmark review as often as deemed necessary of the aggregate level of compensation of the named executive officers as well as the mix of elements used to compensate the named executive officers, taking into account input from independent members of the Board and publicly available data relating to the compensation practices and policies of comparable companies. While benchmarking may not always be appropriate as a stand-alone tool for setting the compensation of the named executive officers due to the Company's potentially unique circumstances and objectives, the Compensation Committee generally believes that gathering such information is an important part of the Compensation Committee's decision-making process.

Notwithstanding the foregoing, the Compensation Committee may determine that it is in the Company's best interest to recommend total compensation packages that deviate from the Compensation Committee's general principle of benchmarking the compensation of the named executive officers.

Elements of Compensation

Base Salary

Base salary levels for the Company's named executive officers are designed to be competitive with those of employees with similar responsibilities working for companies of comparable size, capitalization and complexity. In determining base salaries, the Compensation Committee takes into account a variety of factors, including experience, performance, and benchmarking.

Incentive Compensation

The Company provides annual and long-term incentive compensation to its executives and managers under the Company's Amended and Restated 2011 Incentive Plan, approved by stockholders on June 16, 2016. The Amended

and Restated 2011 Incentive Plan is designed to provide annual and long-term incentives for executive performance by rewarding participating executives for their contributions to profitability and stockholder value based on achieving short-term Company and individual performance goals for a given year, as well as by aligning a significant portion of compensation with the long-term interests of stockholders. Short-term Company performance goals include revenue growth, EBITDA, earnings per share and return on equity. Long-term Company performance goals include increasing the Company's total market value. The Compensation Committee may recommend that other corporate performance measures be substituted or added (including but not limited to operating income after tax, return on capital employed and stockholder return) in order to achieve the Company's business strategy. Individual performance goals for the Chief Executive Officer are established by the Compensation Committee and recommended to the Board for approval, while individual performance goals for our other employees are established by the Chief Executive Officer and reviewed by the Compensation Committee.

The LGL Group, Inc. 401(k) Savings Plan

The LGL Group, Inc. 401(k) Savings Plan (the "401(k) Plan"), which is subject to limitations imposed by the Internal Revenue Code of 1986, as amended (the "Code"), permits the Company's employees to defer a portion of their compensation by making contributions to the 401(k) Plan and thereby obtain certain tax benefits. Participating employees also benefit from the 401(k) Plan by sharing in discretionary contributions made by the Company to the 401(k) Plan based on each employee's contribution made in a particular year. A participant's interest in his or her individual contributions, the Company's contributions and earnings thereon is fully vested at all times. The 401(k) Plan's proceeds are invested in guaranteed investment contracts or certain mutual funds, subject to the discretion of the participants.

The named executive officers and all other employees of the Company and certain of its subsidiaries are eligible to participate in the 401(k) Plan after having completed three months of service and reached the age of 18. All of the named executive officers, who were eligible to do so, participated in the 401(k) Plan in 2018.

Other Benefits

The Company makes available to the named executive officers the same medical insurance, life insurance and disability benefits that are generally made available to Company's employees to ensure that the Company's employees have access to basic healthcare and income protection for themselves and their family members.

However, in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by us. In no event must the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above.

The stockholder's notice must set forth (a) as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act and the rules and regulations thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and any additional information reasonably requested by the Board; (b) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on our books, and of such beneficial owner, (ii) the class and number of shares of the Company that are owned beneficially and of record by such stockholder and such beneficial owner, (iii) all information relating to such stockholder and such beneficial owner that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act and Rule 11a-11 thereunder, and (iv) any additional information reasonably requested by the Board.

Notwithstanding anything in the previous paragraph, in the event that the number of directors to be elected to the Board is increased and there is no public announcement by us naming all of the nominees for director or specifying the size of the increased Board at least 70 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by our By-Laws will also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Corporate Secretary at our principal executive offices not later than the close of business on the 10th day following the day on which such public announcement is first made by us.

We may require any proposed nominee to furnish such other information as may reasonably be required to determine the eligibility of such proposed nominee to serve as a director. The Board or chairman of the meeting may, if the facts warrant, determine that a nomination was not made in accordance with the foregoing procedure, in which event, the officer will announce that determination to the meeting and the defective nomination will be disregarded.
